ROAD

A superb transportation network of major highways and arterial roads promotes easy access for trucks within the Greater Hamilton area and beyond. Direct travel to Toronto and the USA via Buffalo is just one hour away on uncongested toll-free highways. The Red Hill Creek Expressway scheduled for completion in 1999, will link the QEW near Stoney Creek to highway 403 in Ancaster and the Hamilton International Airport . The Perimeter Road will service Hamilton's existing industrial core and harbourfront.

PROVINCIAL HIGHWAYS

- QEW (Toronto to Buffalo)
- #403 (Toronto to London)
- #2 (Eastern Ontario to Windsor)
- #5 (Toronto to Brantford)
- #6 (Hamilton to #401)
- #8 (Niagara Peninsula to Lake Huron)
- #20 (QEW to Hwy. #53)
- #53 (Hwy. #20 to Hwy. #2)
- #56 (Hamilton to Hwy. #3)

PLANNED REGIONAL EXPRESSWAYS

- #403 Extension
- Perimeter Road (Harbourfront)
- Red Hill Creek (QEW to #403)

MAJOR LOCAL CARRIERS

- Central McKinley Transport (905) 547-3600
- Fluke Transport (905) 545-5520
- Frederick Transport (905) 628-4000
- Norris Transport (905) 312-1577
- White Oak Transport (905) 662-1077

RAIL

Canada's two principal railways have main lines servicing Hamilton and the City of Stoney Creek. Both companies offer full freight services including intermodal services to facilitate shipment of container freight.

Daily commuter links to Toronto are available through the new \$16 million GO-Transit Terminal in downtown Hamilton. For schedules and additional information contact GO Transit (905) 527-8187.

SERVICES

Hamilton International Airport offers a full range of services including 24 hour Air Traffic Control, 24 hour Customs and Immigration, Free Parking, Ground Handling, FBO's, Fuel, Flying Instruction and Aircraft Maintenance.

OTHER

Hamilton International Airport is also home to the Canadian Warplane Museum a new \$12 million building housing vintage World War II Aircraft. Hamilton International Airport (905) 679-4151.

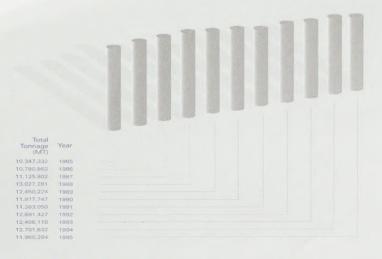

PROXIMITY TO OTHER AIRPORTS

In addition to Hamilton's own International Airport, Greater Hamilton is ideally situated within normal commuting distance to Canada's busiest airport, Lester B. Pearson International. It's located 68 km east or a 45 minute drive from Hamilton-Wentworth. The Buffalo Airport is approximately 110 km or a one and a half hour drive by car.

PORT

Considered the finest natural Harbour on the Great Lakes, the Port of Hamilton consists of fifteen fully operational piers. On average, twelve (12) million tonnes of cargo pass through the Port each year. The Hamilton Harbour Commission is responsible for the operations of the Port of Hamilton as well as an industrial land and building portfolio.

TOTAL TONNAGE (MT)

SERVICES

- Container handling facilities
- · Dry-docking and ship berthage
- Fifteen fully operational piers
- Heavy lift cargo equipment
- · Inside and outside warehousing
- Ship chandlering and customs clearance
- Terminals with dry and liquid storage
- Tugboats and stevedoring

For information, contact Jeff Brookfield, Port Planner, Hamilton Harbour Commissioners at (905) 525-4330 or 1-800-263-2131.

LARGEST REGIONAL EMPLOYERS

Greater Hamilton's economy continues to diversify while building on the strength of the local steel industry. Today, the Region's economy is fuelled by growth in the environmental, food processing, medical and advanced technology sectors, which has resulted in the lowest unemployment rate of all major centres in Ontario. The recent privatization of the Hamilton International Airport and its focus on courier, cargo and passenger service will further act as a catalyst for growth.

LAND DEVELOPMENT

SERVICED REGIONAL INDUSTRIAL/BUSINESS PARKS

Private and municipally-owned industrial/business parks are available throughout the Region.. Strategically located on major transportation routes, business parks are serviced to varying degrees and are competitively priced.

The following list highlights the name, location, size, predominant use and attributes for each park:

TECH PARK (FLAMBOROUGH) *

- Highways #5 and #6
- 40 acres
- High Technology, Engineering and Advanced Manufacturing
- GHTEC (Greater Hamilton Technology Enterprise Centre) located within park

STONEY CREEK INDUSTRIAL BUSINESS PARK

- Queen Elizabeth Way (QEW) corridor between Grays Road & Fifty Road
- 1300 acres
- Mixed Use/Industrial

HAMILTON MOUNTAIN INDUSTRIAL BUSINESS PARK *

- Highway #53 (South East Mountain)
- 160 acres
- Industrial/Commercial
- Dartnall Road to intersect proposed Red Hill Creek Expressway in 1999.

STONECHURCH INDUSTRIAL BUSINESS PARK *

- Highway #53
- 55 acres
- Industrial/Commercial
- * Regionally owned.
- Owned by HamiltonHarbour Commissioners

AEROPARK (HAMILTON AIRPORT) *

- Highway #6
- 55 Acres
- Prestige Industrial/
 Warehousing/Freight Services
- Adjacent to Hamilton's International Airport

ANCASTER INDUSTRIAL PARK *

- Highways #403 and #2
- 160 acres (4 phases)
- General Industrial
- Phase 1 & 2 near 100% absorption

ANCASTER MEADOWLANDS

- Highway # 403
- 126 acres
- Prestige Commercial
- Retail Power Centre

EASTPORT MARINE INDUSTRIAL PARK *

- Queen Elizabeth Way
 (QEW) Highway
- 124 acres
- Marine and Light Industrial
- On site access to seaway draft wharf, major Canadian Railways and Highways

For information pertaining to property development or existing buildings for lease or sale in the Hamilton-Wentworth Region, contact Economic Development at (905) 546-4447 or 1-800-263-8590.

COMPETITIVE ADVANTAGES

SUMMARY

In 1995, the Regional Municipality of Hamilton-Wentworth commissioned KPMG Chartered Accountants to conduct a study to assess the cost-competitiveness of Greater Hamilton as a place to do business. The study compared location-sensitive costs for seven different industries in fifteen cities across Canada and the United States. The results of the study concluded that Greater Hamilton's costs are significantly lower than all seven U.S. cities, ranked first in Ontario and fifth overall. Copies are available from the Economic Developement Dept. at (905) 546-4222 or 1-800-263-8590.

REALTY & BUSINESS TAXES

In a supplementary report conducted by KPMG, Greater Hamilton ranked second lowest in total realty and business taxes. Total realty and business taxes on assessed value of \$4 million would be approximately \$76,000 per year in Greater Hamilton, compared to \$165,000 in London and Toronto.

ENTREPRENEURIALISM

SUPPORT FOR ENTREPRENEURS

Thousands of businesses have been assisted in start-up and the improvement of operations by the Business Advisory Centre (BAC) and the Greater Hamilton Technology Enterprise Centre (GHTEC).

PRIMARY MARKETS SERVICED Retail 21% Technology and Manufacturing 21% Computer Software, Consulting and Professional Services 58%

SUPPORT FOR TECHNOLOGY BASED BUSINESSES

The 40,000 sq.ft. Greater Hamilton Technology Enterprise Centre (GHTEC) is one of the most modern business incubators in North America. Drawing upon a strong heritage of corporate, university and college research, GHTEC tenants have created 150 jobs since the centre opened in 1993. The tenants' products and services range from aerospace/composite materials to forensic chemistry and biotechnology.

SUPPORT TO BUSINESS THROUGH THE BAC

The assistance of the BAC/GHTEC staff is complimented by a pool of volunteer mentors from local firms. Mentoring support is provided to assist non-competitive businesses with advancement and growth.

MENTORING SUPPORT BY CATEGORY

ADVANCED MANUFACTURING

Manufacturing dominates Greater
Hamilton's non-public sector employment
comprising over 25% of the Region's total
labour force. Traditionally anchored by
steel and primary metal production,
Greater Hamilton has undergone considerable restructuring through downsizing,
expansion and diversification of its manufacturing base. Today, the Region is proud
to be the Canadian headquarters of several
"Fortune 500" companies.

EDUCATION

Greater Hamilton's educational system is one of the finest in Canada with leaders such as Mohawk College of Applied Arts and Technology and McMaster University providing a well educated and skilled work force to local industry. As well, several other public and private institutions offer a wide range of education and training programs.

MCMASTER UNIVERSITY

McMaster University's commitment to research has earned it the highest ratio of research funding to operating budgets of any Canadian University. Research resources unique to McMaster include Canada's only campus nuclear reactor; a library system of over 1.6 million volumes, 1.7 million microfilm items; collections such as the Bertrand Russell Archives and 18 research centres and institutes in the fields of health sciences, engineering and advanced materials manufacturing. McMaster is also a participant in three Provincial Centres of Excellence and six Federal Networks of Centres of Excellence. McMaster was founded in Toronto in 1887, moved to Hamilton in 1930.

Reaching highs of 26.4 degrees C in the summer months, and experiencing seasonal averages as low as -10 degrees C in the winter months, the Hamilton-Wentworth Region experiences a wide range of temperature. As a result, the climate for the area between Greater Hamilton and Niagara, known as the Golden Horseshoe, is ideal for growing crops, especially fruit. Boasting four full seasons, Greater Hamilton is an ideal destination to visit!

June through August, the Region enjoys warm days with an average temperature of 25.2 degrees C (80 degrees F). Although the nights can be cool, the temperature rarely dips below 13.8 degrees C (58 degrees F).

Mid-September to mid-November can range between a mild Indian summer to a cool Autumn. The average temperature for daytime is 14.5 degrees C (60 degrees F) and 5.2 degrees C (42 degrees F) at night. The coldest months of the year are January to mid-March with temperatures at a cool 4.2 degrees C (38 degrees F) to an average low of -4.6 degrees C (25 degrees F).

Springtime is just around the corner in March and it comes with an awakening of plant life and a rise in temperature. The temperature averages in April and May are 14.7 degrees C (62 degrees F) for daytime high and a 4.0 degrees C (36 degrees F) for night.

VISION 2020: THE SUSTAINABLE REGION

Vision 2020 was prepared by the Chairman's Task Force on Sustainable Development after a 2 1/2 year consultation process involving over 1,000 local citizens. The Vision Statement is a presentation of our values and hopes for the future of Hamilton-Wentworth. The Vision is a shared destination, a place that the Region of Hamilton-Wentworth is directed towards.

VISION 2020 describes our community in the year 2020, if the decisions affecting our community begin to follow the principles of sustainable development. It describes a community that includes a system of connected and protected natural areas, swimming where it is currently banned, a new transportation system, a different form to the urban area, a diversified and environmentally friendly economy, community participation in decision making, a strong local agricultural sector, and many other positive changes to the community.

COMMUNITY PROGRAM

AGENDA 21, developed by the United Nations at its Conference on Environment and Development (The Earth Summit) held in Rio de Janeiro in June 1992, is a global plan of action designed to confront the most pressing environmental, economic, social and health issues facing our planet. In order to promote Agenda 21 amongst local authorities, the International Council for Local Environmental Initiatives (ICLEI) organized the Local Agenda 21 Model Community Program.

Under this program, The Region of Hamilton-Wentworth was selected as the only Canadian community and as one of only 14 model communities around the world to lead the way in local efforts to implement Agenda 21. Hamilton-Wentworth has been given both a large challenge and very prestigious distinction. While serving as a model, communities around the world will be looking to Hamilton-Wentworth for successful methods for creating a sustainable community.

This honour recognizes the commitment of our citizens in the creation of a sustainable community. Our community recognizes the need to keep a balance between the needs of business, the natural environment,

community social well being, and for preserving a balance between the needs of the present and future generations.

Joining Hamilton-Wentworth as a model community are the communities of Quito, Ecuador; Santos, Brazil; Buga, Columbia; Hamilton, New Zealand; Johnstonshire, Australia; Lancashire County, England; Manus Province, Papua New Guinea; Pimpri Cinchwad, India; Jinja, Uganda; Mwanza, Tanzania; Durban, South Africa; Cape Town, South Africa; and Johannesburg, South Africa.

COMMUNITY AWARDS AND DESIGNATIONS
